

EagleLight LED Warm White Candelabra 2W Chandelier/Night Light replacement

This 2 watt LED candelabra light bulb is available in a warm white brightness and fits into a standard US Candelabra base, technically know as a E12 base, also known as an LED flame light bulb. It provides great lighting for such a small size. There are 24 bright LEDs enclosed in a crystal clear bulb. These bulbs are great for accent, and mood lighting. Because of its shape this bulb is often called a torpedo LED bulb, and is often found in chandeliers. The LED candelabra bulb fits perfectly into E12 or candelabra lamp sockets.

- **Bulb Shape: Candelabra (B)**
- **Base Type: E12 screw-in base**
- **Brightness: Warm White: 120 lumens**
- **Energy Consumption: 2 watts**
- **Replaces up to a: 15 watt incandescent bulb**
- **Voltage: 180-140 VAC**
- **Color: Warm White**
- **Color Temp: 3000K Warm White**
- **Beam Angle: 320 degrees**
- **Avg. Life: 40,000 hours**
- **Lens types: Clear**
- **Diameter: 1.4in (37mm)**
- **Length: 4.6in (117mm)**
- **Weight: 0.4 Ounces (11g)**
