

Open Access Lockers

OPEN ACCESS LOCKERS

Constructed of 16 gauge steel, 70000 series open access lockers provide large vented space for clothing, uniforms and many other applications. Available in 18" and 24" depths, open access lockers are two (2) feet W and six (6) feet H (add 4" for legs) and are available in a gray or tan finish and as unassembled or assembled units. Open access lockers feature a 13-3/4" D upper shelf with a 12" W x 12-1/2" H x 13-3/4" D top compartment that includes a spring loaded door and a padlock hasp. Open access lockers also include two (2) 1/4" steel coat hooks, a coat rod and a 14" H foot locker. The foot locker includes a hinged lid and a ventilated front panel with a recessed padlock hasp for secure equipment storage. Built-in locks (#77710 for combination and #77715 for key) and padlocks (#77720 for combination and #77725 for key) are available as options upon request for the top compartment. Combination and keyed padlocks (#77720 and #77725) are available as options upon request on the foot lockers - see pages 84-85 for locker options.

custom
Numbers / Letters see page 71

(4) open access lockers (#70018) with optional keyed padlocks (#77725)

Ideal for athletic locker rooms,
companies, fire houses and
